DETAILED ACTION

Claims 1-19 remain pending.

Response to Arguments

The Applicant's arguments filed on September 30, 2005 have been fully considered. The amended claims are rejected in view of 35 USC 112.

See following rejection.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 1, 2, 8 and 19 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention the claimed feature of "which is not recognizable as a key" imposes no further limitation upon the applicants invention. The term "which is not recognizable as a key" is subjective in nature and fails to disclose a quantifiable degradation of the material.

Allowable Subject Matter

Claims 4-7,10-18 are allowable over the prior art record.

Claims 3 and 9 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.
